### 2 DIE IN TRAIN-CAR CRASH

Two people died Thursday afternoon when their car was struck by a train at the railroad crossing on County Road 351, just off U.S. 11 north of Niota. The tracks run alongside U.S. 11 at that point and there were major traffic problems as motorists slowed down to look at the accident. The Tennessee Highway Patrol identified the victims as Robert Vic Johnson, 59, and Sharan Johnson (the driver), 50, both of Sweetwater. The THP says the driver failed to observe the train, which pushed the car 100 yards down the track. The photo below shows the wreckage of the car between an ambulance and a fire truck.

### Bear Roaming In Niota Area

There have been several sightings of a black bear in the Niota area this week. The bear was first spotted Tuesday evening under a tree on County Road 342. Then, on Wednesday it was spotted on County Road 357 and in the backyard of the Galen Lucus house in Timber Acres on County Road 349. Galen took the photo.

Lt. Joe Busch with the Tennessee Wildlife Resources Agency says it is believed to be the same bear that was spotted in northern Meigs County and is probably headed to Monroe County. Busch says it is very difficult to trap a bear that is on the move. He says if it stays in the same area for several days, raiding trash cans or beehives, officers will try to trap it. Otherwise, they'll let it keep moving.

### Church News & Events
