LOCAL - STATE NEWS

◆ TDOT & GDOT SEEK HIGH SPEED RAIL FUNDS

The Tennessee and Georgia Departments of Transportation have applied for \$34 million in federal funding to accelerate development of high-speed rail service between Chattanooga and Atlanta. The rail system would continue to Nashville and eventually to Louisville, Kentucky. If the money is granted, Georgia and Tennessee will continue environmental planning and engineering between Atlanta and Chattanooga, design stations along the corridor, and create a comprehensive plan for high-speed service that could one day stretch from Florida to Chicago. TDOT will manage planning along the extension from Chattanooga to Nashville.

WIFFLE BALL TOURNAMENT UPDATE

The McMinn County Living Heritage Museum's 4th Annual Wiffle Ball tournament held recently drew record crowds of participants and spectators.

Eighteen teams participated in the event held at the Athens Regional Park. Players took to the narrow, V-shaped fields with yellow regulation bats in hand. Similar to baseball, wiffle ball players hit a perforated ball tossed by a pitcher, but do not run bases.

The tournament concluded after 12 hours of play when team New Timers defeated former champions The Old Timers. The New Timers, made up of Dylan Coleman, J.D. Cowart, Corey King, and Mark Rayburn, scored 17 runs to the Old Timer's seven in the final elimination round. The champs are pictured below.

OBITUARIES

Martin Bacon Walthall, age 94, of Athens died Sunday. He was a co-founder and served as President and CEO of Taylor Implement until his retirement in 1978. During World War II, he served in the U.S. Army with the 13th General Hospital in New Guinea. A memorial service will be conducted at 11 a.m. Tuesday at Mars Hill Presbyterian Church. The family will receive friends immediately following the service at the church. Smith Funeral Home is in charge of arrangements.
