◆ NEW COUNTY OFFICIALS TAKE OFFICE

The new McMinn County elected officials took office as of midnight last night. Joe Guy is now the McMinn County Sheriff and Cheryl Ingram is now the Register of Deeds. They were among the officials who were sworn-in at a ceremony yesterday afternoon at the McMinn County Courthouse. In the photo, Judge Carroll Ross administers the oath to Joe Guy while his family observes the formal ceremony.

◆ COMMUNITY NEWS YOU CAN USE:

√ The Athens Public Works Department advises that crews are installing sidewalks on Elizabeth Street from McMinn Avenue to White Street. Crews are still working in the areas of Woodward Avenue, Knoxville Avenue, and Tellico Avenue. Funding for these sidewalk projects was provided by the American Recovery and Reinvestment Act.

NATIONAL-WORLD NEWS

◆ Federal officials say evacuations may be required along the eastern U.S. coast if Hurricane Earl tracks too close to land. FEMA officials will be closely monitoring the movement of the Category 4 storm to determine which parts of the coast will face the greatest impact. Earl is forecast to brush North Carolina late Thursday before moving parallel to land up the East Coast on Friday and Saturday.

◆ FBI sources say the two men arrested in Amsterdam after suspicious items were found in one of the men's luggage were probably not on a test run for a future terrorist attack. Sources say the two men who were traveling to Yemen did not know each other and were not traveling together. They were arrested when they arrived in Amsterdam after a flight from the U.S. because cellphones and watches taped together were found in their luggage.

◆ Stocks rose slightly on Tuesday after reports that consumer confidence rose more than expected in August. The Dow Jones Industrials Average closed at 10,014.72; up 4.99 points.

◆ It's flu-shot season already. This year we get to take an all-in-one shot that protects against the Swine flu plus two other kinds of flu. There's even a new high-dose version for people 65 or older.

It's Moving Day

Wednesday is an exciting day for the staff of Cherokee Englewood Clinic. This is moving day, as they move from their old office in the pink building on Highway 39 in Englewood to their brand new office building on U.S. 411 just north of Englewood. The facility is owned by Cherokee Health Systems and contains state of the art treatment rooms, office structures, and decor. The building also has a large community meeting room equipped with audio-visual equipment. Providers at the clinic are Kristel Rush, M.D., and Judith Ketchersid, Family Nurse Practitioner. The office number is unchanged, 887-5131. An open house will be held later this month.

TODAY IN HISTORY - SEPT. 1

1807 - U.S. Vice President Aaron Burr was acquitted of charges of treason. The charges stemmed from an alleged plot to set up an independent empire in the south and west portions of the U.S.

1923 - An earthquake in Japan killed more than 150,000 people and mostly destroyed the cities of Tokyo and Yokohama.

1935 - The strongest hurricane ever recorded in the western hemisphere smashed across the Florida Keys, killing more than 400 people. It was called the "Labor Day Hurricane." When it hit the keys with winds between 155 and 200 miles an hour and a storm surge of high water, it wiped out the overseas railroad, which was the first link between the Keys and the Florida mainland.

1933 - Country singer Conway Twitty was born. His real name was Harold Jenkins.
