## STATE AND LOCAL NEWS

### ◆ HELP WANTED IN CHARLESTON ROBBERY

Bradley County Sheriff's detectives are asking the public for help in identifying a suspect in the September 4 robbery of Preferred Family Pharmacy in Charleston.

Two employees who were closing the business for the day said the suspect walked up to the counter and demanded "all the Percocet and oxy." The employee placed bottles of Endocet and Oxycodone into a basket. The robber then left with the basket and narcotics. He said he was armed, but the employees said he never showed a weapon. They described the robber as a skinny, white male wearing a ball cap and blue bandanna. He is seen in the surveillance photos below.

Anyone with any information about the robber should call 423-728-7336.
