## State & Local News

### ◆ ATHENS MAN DIES IN LOUDON COUNTY

Donny Charles, 59, of Athens was killed Tuesday afternoon in a collision between his pickup truck and a dump truck near Lenoir City. State Troopers say the driver of the dump truck ran off the right shoulder, over-corrected, and crossed into the oncoming lane, hitting Charles' truck. Charles was killed and his passenger, Timothy Widner of Athens, was injured.

### ◆ COMMUNITY NEWS YOU CAN USE:

- ✓ This week's "Battling Bulges With Bulbs" event will be held Friday at 11:30 a.m. at the McMinn Living Heritage Museum. You're invited to participate and help plant flower bulbs. It will beautify the city and you'll benefit from the exercise.
- ✓ The McMinn County Clerk's "Clerk In The Box" program will NOT be at the Bowater Employees Credit Union today, as The Morning Fax ad stated yesterday. The "Clerk In The Box" will be there on the 2nd Thursday of each month.
- ✓ The 4-H Poultry Show & Sale will be held this Saturday at 10 a.m. in the show barn off Highway 30 in Athens. The 6-month-old chickens will be sold auction-style after they are judged.

## NATIONAL & WORLD NEWS

- ◆ Republicans scored an upset victory in a Congressional election in New York. Political novice Bob Turner defeated the Democratic candidate in a special election to fill the seat vacated by Democrat Rep. Anthony Weiner who resigned in a sexting scandal. Turner says his win sends a loud message to Washington that President Obama's economic policies are on the wrong track.
- ◆ A House panel is investigating the Obama administration's apparent eagerness to approve a \$528 million loan to Solyndra, a solar panel manufacturer, which is now bankrupt.
- ◆ Casey Anthony's mother has told "Dr. Phil" that her daughter may have suffered a seizure on the day her 2-year-old daughter Caylee died. Cindy Anthony said her daughter suffered from grand mal seizures, which can cause loss of consciousness. She says that might explain Casey's behavior during the time Caylee went missing.
- ◆ It's no longer the Easy-Bake Oven you remember. The famous toy oven featured a light bulb that allowed youngsters to bake brownies and other miniature treats. Now that the incandescent light bulb is being phased out, the re-designed oven will have a heating element similar to a traditional oven.
