"INKY" KICKS OFF U. WAY DRIVE

The United Way fundraising campaign in McMinn and Meigs counties is off and running. This year's goal is \$630,000; and more than half of that has already been pledged. The money helps fund United Way's partner agencies. Former UT football player Inky Johnson was the kickoff speaker last week. He grew up in one of the toughest neighborhoods in Atlanta and believed football would be his way to success in life. But, his football career was cut short when he was badly hurt in a game against Air Force in 2006. The injury ruptured a major heart artery and his right arm was left paralyzed. He now works with inner city kids in Atlanta. Inky credits the Lord with showing him what is really important in life.

A VERY IMPORTANT VOLUNTEER!

At last week's monthly Athens City Council meeting, the VIVID (Very Important Volunteer Individual) Award was presented to Gary Bowman, principal of the McMinn County Alternative School. Bowman was honored for serving as a Court Appointed Special Advocate (CASA) volunteer since 2007, for serving on the board of Juvenile Justice for the Department of Children's Services, and for his participation in several productions with the Athens Community Theatre and the Gem Theater in Etowah.
