## NATIONAL-WORLD NEWS

- ◆ Ten people died in a chain reaction pileup caused by heavy smoke and fog on Interstate 75 south of Gainesville, Florida, early Sunday. Eighteen people were injured. The combination of smoke from a marsh fire and fog resulted in zero visibility. As a result of the crash, the entire interstate was shut down for hours.

However, his wealth is less than George Washington who owned 60,000 acres and 300 slaves. Washington is considered the "big daddy" of presidential wealth.
- ◆ Regulators have closed two Tennessee banks, the state's first bank closures in a decade. BankEast in Knoxville and Tennessee Commerce Bank in Franklin were closed Friday. Both were purchased immediately and are expected to be open for business today.
