◆ CITY RAISING GARBAGE COLLECTION FEES

Beginning July 1st, the City of Athens will increase the fees that it charges to collect garbage. Residential rates will be \$8.50 per month for one garbage tote and \$14.00 per month for two garbage totes. Commercial and business establishments will see a 10% increase for dumpster service. The city says that the price of fuel, tires, and landfill fees have continued to increase and they will have to raise their rates as well. For more information, call April Johnston at 744-2745.

NATIONAL & WORLD NEWS

- ◆ The U.S. Supreme Court upheld the individual insurance mandate of the President's National Healthcare Law, in a 5-4 decision. However, Chief Justice John Roberts said the mandate is actually a tax, despite the president's insistence all along that it was "absolutely not a tax." Under the law, people who do not have health insurance will have to pay 1 percent of their income to the IRS starting in 2014. President Obama calls the Court's decision a win for Americans. Mitt Romney said he will repeal the law his first day in office if elected. He said "ObamaCare was bad policy yesterday, it's bad policy today."
- ◆ The full House of Representatives voted on Thursday to hold Attorney General Eric Holder in contempt of Congress over the Justice Department's decision to withhold documents related to the failed "Fast and Furious" gunwalking scandal. The vote was 255 to 67. About 108 Democrats staged a walkout and refused to vote.
- ◆ The Supreme Court struck down a federal law that makes it a crime to lie about receiving a military medal, ruling it violated constitutional free-speech rights.
- ◆ U.S. stocks closed lower for the first time in two days after the release of several new economic reports. The Dow Jones Industrial Average was down 24.75 at 12,602.26.

"Coke" Truck Starts Fires

A tractor-trailer from Birmingham, loaded with 34,000 pounds of furnace coke, caused several fires along Bowater Road Thursday. The truck was hauling the coke to the Wapaca Foundry in Etowah. The coke had not been sufficiently cooled when it was loaded and burned through the floor of the semi-trailer, sparking the brush fires along the Bowater Road. The driver was finally alerted to what was happening to his load, pulled onto the side of Hwy 411 and unhooked the trailer. Etowah Rural, Englewood Rural, & Polk County Fire-Rescue responded to the scene and got the fire under control using several gallons of foam. Photo by Jay Thomson.
