Crowds Flock to Chick-fil-A

Hundreds of thousands of people flocked to Chick-fil-A restaurants across the nation on Wednesday to show their support for CEO Dan Cathy's stand in favor of the Biblical definition of marriage as being between a man and a woman. In Cleveland, several thousand people stood in line for up to 1 and ½ hours to buy a chicken sandwich at lunch. People stood in line around the restaurant building. Cleveland police officers were posted at each entrance to help direct the customers.
