State & Local News

◆ SHOWING THE DANGER OF DRUNK DRIVING

If you were in the vicinity of McMinn County High School yesterday, you most likely saw rescue vehicles and a helicopter in the school parking lot. The annual "Mock Wreck" was staged yesterday with the goal of educating high school students about the consequences of drinking and driving. The McMinn County Rescue Squad and Susan Ray's Life Skills class took part in five presentations throughout the day, complete with a wrecked vehicle, victims, and a mock court.
