TRUCK FIRE ON I-75

A JB Hunt trailer was destroyed by fire late Tuesday night on I-75 at mile marker 42. The trailer was carrying brake rotors and calipers. The fire appeared to have started in the trailer brake's axle area. A tire blew up in the truck driver's face while he was trying to use a fire extinguisher. He refused to be transported to the hospital. Northbound traffic on I-75 was blocked for several hours.
