◆ WOMAN'S BODY FOUND IN ETOWAH

The Tennessee Bureau of Investigation has not yet released the name of the woman whose body was found Tuesday night on the side of the road near a house at Athens Pike and Charles Street. The TBI was called in to investigate by District Attorney Steve Crump and the Etowah Police Department. The TBI has not released any details at this point. The discovery has some people wondering if the body might be that of 18-year-old Kelsey Burnette, who disappeared the morning of July 1st while walking in Etowah. She had recently graduated from high school. Her family reported her missing, and feels her disappearance is suspicious. She has been the object of a missing person lookout in both McMinn and Monroe counties.
