THE CANDIDATE

ATHENS CITY COUNCIL

**-Christian Conservative -Supporter of Veterans
-Man of His Word -Successful Business Man**

Hi there and Hello!

My name is **Larry Eaton** and I am excited to announce my candidacy for the Athens City Council. Athens is a great place to live and I believe with sound leadership and good management of our resources that the next few years will be our best ever.

I was born in Athens and together with my wife, Melissa Eaton, we have lived in Athens and raised our family here our whole marriage of 30 years in January this coming year 2023. As parents, my wife and I were involved in our daughter's and our son's education and school activities in the Athens City Schools system and McMinn County Schools

We have built a successful electrical contracting business that was started here in Athens and our company does business here, across the state, and in several states across the country. As a business owner, I have worked with City of Athens employees, businesses here, and the city administrators.

I have been a long- time supporter of the Humane Society and our furry friends and I continue to work and support the establishment and opening of our new animal shelter.

I am running for City Council to build on the good things we have here in our community. I think the Council needs to focus on quality-of-life issues and economic development. We need positive input from educators, business owners and citizens alike on our council.

In order to work together for the betterment of Athens, I believe the Council needs to do better in communicating with all citizens and I believe our city government needs to adopt a customer service – Customer First- relationship with its citizens. Customer service begins with listening to your customers. We don't always have to agree with one another, but we need to listen and consider ideas and solutions other than our own.

I commit to you that I will always be available and accessible to hear your concerns and that I will work diligently to seek solutions that benefit all of us. I hope you will conclude that my lifetime of living in our community, my experiences as a successful business owner and my volunteer work on behalf of those who sometimes cannot speak for themselves qualify me to serve on **your** City Council.

I would like your help in this and I am asking for your vote and support for City Council in the upcoming November election. Early voting begins OCT 19, 2022. I humbly ask for your vote and support.

Thank you and GOD BLESS you, your family and our Great City Athens, TN.
