Main Street Athens to Host "A Taste of Mardi Gras" Dining Experience

Main Street Athens will bring the flavors and traditions of New Orleans to downtown Athens next week with [A Taste of Mardi Gras](#), an intimate three-course dining experience curated by Chef [Kenyatta Ashford](#). The private dinner will take place Tuesday, **Feb. 17**, beginning at **6:30 p.m.** in the **White Street Market event space at the Food Hub**.

Designed as a community-centered culinary event, the evening will showcase classic Mardi Gras and Creole cuisine through a thoughtfully prepared three-course menu. Guests will be served Dirty Jollof hand pies filled with seasoned rice, pork sausage and chicken liver; Cat-fish Court Bouillon, a Creole-style fish stew featuring oysters, shrimp and Carolina Gold rice; and a traditional Creole bread pudding topped with brown sugar rum sauce and candied pecans.

Ashford is the founder of **Neutral Ground**, a food concept rooted in cultural storytelling, community connection and culinary tradition. Through Neutral Ground, he creates dining

experiences that explore the shared histories of Southern, Creole and West African cuisines, emphasizing heritage, intentional sourcing and the role of food as a connector across communities.

The event is intended to offer guests a unique opportunity to experience Ashford's culturally inspired approach to cuisine in a private, seasonal celebration setting. Tickets are **\$65 per person**.

The event will be held at the Food Hub, a food business incubator operated by Main Street Athens that provides entrepreneurs with access to commercial kitchen space, equipment and opportunities to grow food-based businesses while strengthening the local economy. *Source: [Main Street Athens](#)*

Healing Hearts Grief Camp Offers Support and Healing for Local Children

Guidance counselors, caregivers and community volunteers came together this weekend to support the **third annual Healing Hearts Grief Camp**, a program designed to help children cope with the loss of a significant family member.

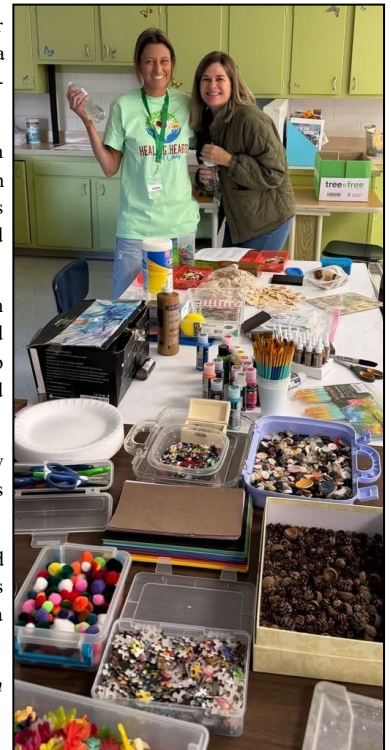

The camp provides a safe and supportive environment for students in **kindergarten through eighth grade** who are experiencing grief. Through age-appropriate activities, participants are given the opportunity to process their emotions, connect with peers who share similar experiences and begin their healing journeys.

Camp activities included art sessions, journaling exercises, time with therapy animals and group experiences focused on encouraging hope and emotional expression. Organizers said the program is designed to help children feel understood and supported while gently guiding them toward renewed confidence and joy.

Special recognition was given to **Shelly Tullier of Calhoun Elementary School** for her dedication and passion in supporting children during times of crisis.

The **McMinn County Education Foundation** has served as a proud sponsor of the Healing Hearts Grief Camp for the past two years. Families interested in learning more about the program or seeking support for a child in need are encouraged to contact mcminncef@gmail.com.
